Are required to make one man. So runs the song, but one man can get nine tailors, or ninety, through one little Want Ad in The Republic.

The tailor who overlooks this fact is apt to be a goose-not a tailor's goose, of course, but the figurative fowl who neglects his own interests.

The shoemaker, the carpenter, the barber and all others who want first-class tradesmen will find that the best help in their lines is obtained through those Magic Little Wants.

It doesn't take a long apprenticeship to learn that REPUBLIC WANT ADS BRING RESULTS.
